[11:51] <octoa> Today's the day!

[11:51] <thatanonyraccoon> tonight's the night!

[11:52] <octoa> Ah those TF2 threads were fun

[11:52] <octoa> how've you been, dude?

[11:53] <thatanonyraccoon> eh alright, kinda sleepy

[11:54] <thatanonyraccoon> i cried daily during the break

[11:54] <octoa> lmao

[11:54] <octoa> I ended up just kind of getting new games to pass the time

[11:55] <octoa> got The Last of Us: Remastered yesterday

[11:55] <kekon3> Had to do a bunch of school stuff in between so perfect time for a break for me

[11:55] <kekon3> is the remaster good? never actually paid attention to it

[11:56] <octoa> I never played the original, so I have no point of reference

[11:56] <octoa> game's pretty fun, though

[11:56] <octoa> almost makes me sad I didn't play it at first

[11:56] <kekon3> thats good enough lmao

[11:56] <octoa> ALMOST

[11:57] <octoa> I also got the Uncharted collection because, Surprise! I've never played an Uncharted game

[11:57] <kekon3> I ended up kinda missing it too

[11:57] <kekon3> Uncharted games are worth in a bundle

[11:57] <kekon3> don't even know what the price is

[11:57] <octoa> I got the first 3 in a bundle for 20 bucks

[11:58] <thatanonyraccoon> that's a gr8 deal, i hear the Uncharted remasters were incredibly well handled

[12:03] <kekon3> yeah, delivered with love

[12:03] <nakedcop> Whereâ€™s phil

[12:03] <kekon3> actually improved the controls for 1, which is good, because if you didn't play it before but you played 2 or 3, you'd be disgusted by vanilla Uncharted controls

[12:04] <gamemaster2003isdead> hello people how are you today

[12:04] <kekon3> @gamemaster2003isdead hows it going

[12:05] <gamemaster2003isdead> good yourself

[12:05] <kekon3> going aight

[12:05] <kekon3> Demo for Fighting EX layer literally just dropped

[12:06] <gamemaster2003isdead> never heard of it

[12:07] <kekon3> well, they're ARIKA, Street Fighter EX team, but also ex Street Fighter 2 devs

[12:08] <gamemaster2003isdead> is phil playing it

[12:08] <kekon3> probably not in his schedule, we should bombard him on it today

[12:09] <gamemaster2003isdead> agreed
